Event Highlights

HO, HO, HO!

The excitement and joy SLAA members brought to our Angels' Arms families was extraordinary!

Nearly two-hundred members and forty guests from Angels' Arms enjoyed dinner, opened presents, and sat on Santa's lap. The children were so excited when Santa arrived. Mr. Claus (aka, Mark Steinlage) and our members certainly made the season bright for the Angels' Arms families.

The staff members from Angels' Arms were ecstatic when Chris Steinlage, the President of SLAA presented a check for \$1500.00 to representative Zip Rzeppa. This donation will assist Angels' Arms organization with a few of their own wish list items.

On another note, Zip Rzeppa presented SLAA with their 2011 Business Partner Award. SLAA members should be very proud. SLAA appreciates our members' participation, enthusiasm, and dedication to our activities throughout the year.

Special thanks to all our volunteers that brought items for our bake sale and the members that purchased items in support of the NAA PAC. We are very grateful to Robert Brake with Brake Landscaping & Lawncare. At the end of the evening, Robert purchased all the remaining items and donated them to the families.

To summarize this year, we have so many people to thank. We apologize in advance if someone was not mentioned as a contributor to any of these successful activities!

We want to thank our Community Awareness committee for all their hard work this year.
